10:30 a.m., Tuesday, August 23, 2022

HAWAII PUBLIC HOUSING AUTHORITY | 1002 NORTH SCHOOL STREET, HONOLULU, HI 96817 | HPHA.HAWAII.GOV

Today's Meeting

This meeting will be recorded and made publicly available on the HPHA's website, <http://hpha.hawaii.gov/>.

The HPHA will also continue to publish more information on these programs as they continue to develop. Please check our website for regular updates.

If you have questions during the presentation, please feel free to leave them in the chat box and we will address them at the end.

Background

- In January 2022, the HPHA was designated as a Moving to Work (MTW) agency by the federal government.
- MTW is an experimental program that allows housing authorities to be more flexible/efficient with how they operate and spend money.
- MTW lets HPHA create new programs that better address local needs.
- The purpose of MTW is **NOT** to create work requirements for families receiving public housing or Section 8.

Background

All new MTW initiatives must meet one of three statutory objectives:

1. Reduce program costs and increase cost efficiency
2. Encourage assisted families to pursue economic self-sufficiency
3. Increase housing choice for low-income families

LIP Funding

Act 287, Session Laws of Hawaii 2022

- In 2022, the Legislature passed HB 1752 which established the three new LIP initiatives in statute and refunded the Damage Reimbursement Program. The bill included an appropriation of \$1.45M in State general funds.
- Funds will lapse at the end of the State fiscal year (June 30, 2023), but the HPHA will seek an extension during the next legislative session.
- The appropriation of State funds will fund Year 1 of the programs, afterwhich the HPHA will use its federal funding flexibilities.
- Payment/reimbursement component of each program is NOT guaranteed and will be subject to funding availability.

Landlord Incentive Programs

The goal of the **Landlord Incentive Programs** (LIP) is to increase the number of landlords that rent to families with Section 8 vouchers:

- Make it easier for families to find an affordable home
- Improving landlord experience when renting to Section 8 families

Landlord Incentive Programs

The HPHA is creating three new initiatives:

1. Bonus Payment Program
2. Vacancy Loss Payments
3. Initial Inspection Flexibilities
